- **Equal Opportunities Policy Implementation**
- **General activities of The St John's Community Centre management group**

As a provider of a service to the community, St John's Community Centre Management Group accepts responsibility to promote equal opportunities and challenge discrimination wherever it occurs. This document sets out the main consequences of this commitment and the action to be taken in order to achieve equal opportunities.

We will actively monitor all activities to ensure that we are serving the needs of all communities and groups.

It is the responsibility of all staff, volunteers and service users to ensure that no other committee member, volunteer or service user receives less favourable treatment than another on the grounds of age, ethnic origin, disability, sexual orientation, religion or belief, marital status or gender.

We will encourage our committee, volunteers and the staff of any organisation working with us to take positive steps to ensure that the needs of minority communities and disadvantaged people are met.

We will listen carefully to what people tell us they need from St John's Community Centre management group and do everything in our power and within our resources to ensure their needs are met.

This policy will be reviewed every (three) years or when new legislation requires it.

### **Physical access**

St John's Community Centre premises will be reviewed regularly so that access by committee, staff and users with disabilities can be maintained and improved where necessary.

## **Recruitment and Employment Practices**

It is vitally important that St John's Community Centre Management Group and staff on site understand the full diversity of their clientele.

As far as it lies within our power we will ensure that our recruitment processes are designed to ensure equal access for all.

All management group member's roles or staff job vacancies will initially be advertised internally to encourage service users and volunteers to apply.

We will design our management group role or job specifications to allow for as wide as possible a range of transferable experience and qualifications to be taken into account.

Application forms will make it clear that life experience as well as formal qualifications and work experience is valid.

During a recruitment process the St John's Community Centre Management Group will take into account the guidelines set out in Local Authority (Southwark) Equal Opportunities Policy.

St John's Community Centre Management Group work force is never likely to be large enough to reflect the full diversity of our users. However, we will do everything we can to ensure that those we do employ share our belief in the value of everyone and reflect that belief in their work.
